Dear Mr. Morisy:

This letter responds to your March 18, 2013, Freedom of Information Act (FOIA) request to the Council of the Inspectors General on Integrity and Efficiency (CIGIE). You requested written presentation materials from the CIGIE 2012 Suspension and Debarment Workshop held on November 16, 2012 at the Patent and Trademark training facility in Alexandria, Virginia.

We have enclosed 84 pages of responsive documents. Pursuant to FOIA, certain information has been redacted as it is exempt from release. Specifically, in accordance with 5 U.S.C. § 552(b)(6), the names, signatures, initials, and other identifying information of individuals were withheld because release of this information could reasonably be expected to constitute an unwarranted invasion of personal privacy.

A total of three pages were withheld under 5 U.S.C. § 552(b)(5). We have enclosed a brief explanation of FOIA exemptions.

Additionally, we determined that seven pages originated with the Department of Transportation's (DOT) Office of Inspector General (OIG). Under FOIA, the agency that created the record is responsible for processing. Therefore, we have referred these pages to DOT OIG for processing and direct response to you.

For your follow-up purposes the contact information is:
